PRODUCE

Each produce item is grouped by unit (eg. 5lbs, one bunch, etc). Write the total number of units you would like. For example, writing "2" for russet potatoes will result in an order of 10lbs total, and writing "5" for carrots will result in an order of 5 bunches of carrots

*Note: produce prices will depend on market value and are given here as ranges
Produce will be locally sourced when possible*

Item	Quantity	Item	Quantity
